General Comments or Valuable Insight

DAX is approaching all time highs.

DJI,SPU's,Nikkei are all below their technical resistance.

Euro Stoxx, Russell & Midcap look like they want to break out to the upside but as of yet, have not.

Nasd 100 has been teetering above its support. Will it hold or roll over Sunday into Monday? I'll let Mr. Market tell me.

Sunday starts a new game.

I'll be preparing the Medium Term Technical view over the weekend.

Lots to do and more to cover.
